DISTRICT ENGINEER'S POLICY MEMORANDUM NO. 98-12

SUBJECT: SECTION 14 - EMERGENCY STREAMBANK PROTECTION STUDIES

1. Section 14 projects will be given a high priority in the Little Rock District. These studies are conducted under authority of Section 14, Flood Control Act of 1946, as amended. These emergency streambank protection studies afford the Little Rock District a high degree of visibility among the communities of Arkansas and Missouri.

2. It is the responsibility of all Division Chiefs to ensure that this policy is implemented and Section 14 studies are given a high priority.

THOMAS A. HOLDEN JR.
Colonel, Corps of Engineers
Commanding
