DISTRICT ENGINEER'S POLICY MEMORANDUM # 2001-05

SUBJECT: Alcohol Prohibited in the Workplace

1. The Little Rock District, U.S. Army Corps of Engineers is committed to providing a safe work environment free of alcohol for its employees. Therefore, it is the policy of the Little Rock District to prohibit the introduction/possession of alcoholic beverages in the workplace at all Little Rock District facilities.

2. On GSA-leased property, there are no exceptions to this policy. On Corps-managed federal property, however, there are special event exceptions that can be approved in accordance with AR 215-2, para. 4-8. The general procedure requires a complete justification with guidelines submitted for approval ten days in advance to my office.

3. It is the responsibility of all Little Rock District Division Chiefs and Office Chiefs for the immediate implementation of this policy and to see that their subordinates are aware of this policy.

BENJAMIN H. BUTLER
Colonel, Corps of Engineers
