# TABLE ROCK LAKE Shoreline Management Plan Update Newsletter

## *Focus Group Meetings*

*24th-25th August 2015*

*15th-17th September 2015*

*5th-6th October 2015*

*Purpose was to gain additional insight into public perception/preferences in (3) areas of the Shoreline Management Plan: Vegetation Modification, Boat Docks and Shoreline Allocation. CDM Smith was contracted by the Corps to facilitate these meetings and provide a detailed report as to the groups recommendations. This report along with the public scoping report will be utilized to assist the Corps in the development of the new shoreline management plan and its alternatives.*
