# Three Rivers Feasibility Study

## Integrated Feasibility Report and Environmental Assessment Public Meeting—April 17, 2017

---

Your comments are very important in the National Environmental Policy Act (NEPA) process. Please let us know your thoughts, concerns, and suggestions about the Tentatively Selected Plan or the environmental impacts assessed during the study.

I have the following comment(s) on the Three Rivers Feasibility Study and/or the Integrated Feasibility Report and Environmental Assessment (EA).

Name \_\_\_\_\_

Address \_\_\_\_\_

Phone Number (optional) \_\_\_\_\_

Email Address (optional) \_\_\_\_\_

Comments and questions regarding the information provided during this meeting may be placed in the comment box tonight or be directed to Craig Hilburn, Environmental Lead, USACE, Regional Planning and Environmental Center, Environmental Compliance Branch, PO Box 867, Little Rock, AR 72203-0867 or via email at [3Rivers@usace.army.mil](mailto:3Rivers@usace.army.mil). Comments should be submitted by April 30, 2017.
