

Lake Dardanelle Shoreline Zoning - February 2010

Reference main webpage for zoning definitions.

Due to the PDF beeing so pixilated the more you zoom in, it may be difficult to determine the start and end of a zone. This map is to be used as a tool to see if zoning is nearby, this is NOT the official zoning map. For official zoning, please contact the Russellville Project Office at (479) 968-5008.

This image is an approximate representation and may not be used as a legal document due to errors in the generation process. Copies of survey plats and shoreline allocation maps may be obtained through the Russellville Project Office. The Corps of Engineers is not responsible for any incorrect information provided in this map.
