

**Table 6.1  
Preliminary Section Details**

<b>Sector</b>	<b>Total Acreage</b>	<b>Acreage to be Investigated</b>	<b>Chosen UXO Density</b>	<b>Documented OE Use</b>	<b>MPM</b>	<b>OE Related Items Found Since Closure</b>	<b>Post-DoD Land Use and Current Land Use</b>	<b>Recommended Geophysical Investigations</b>
1. Western Wildlife Area	1536	2.4	1.0	None	None	None Known	Sold to the Arkansas Fish & Game Commission, Used as the Camp Robinson State Wildlife Management Area	Meandering path surveys will be surveyed to determine the OE density
2. Eastern Wildlife Area	1902	2.4	1.0	37mm-105mm	105mm	None Known	Sold to the Arkansas Fish & Game Commission, Used as the Camp Robinson State Wildlife Management Area	Meandering path surveys will be surveyed to determine the OE density
3. Southern Wildlife Area	716	2.3	1.0	75mm, 105mm, 155mm	155mm	None Known	Sold to the Arkansas Fish & Game Commission, Used as the Camp Robinson State Wildlife Management Area	Meandering path surveys will be surveyed to determine the OE density
4. Western Wilson Hill	982	7.7	0.3	37mm-105mm	105mm	None Known	Sold to private developers for residential development	Grid surveys will be used to determine the OE density
5. Eastern Wilson Hill	1335	7.7	0.3	105mm-155mm	155mm	None Known	Sold to private developers for residential development	Grid surveys will be used to determine the OE density
6. Grenade Range	431	7.7	0.3	37mm-60mm (live hand grenades), 3" Round	3" Round	3" Round	Sold to private developers for residential development	Combination of transects and grids will be surveyed to determine the OE density
7. Northern Artillery Ranges	1169	7.7	0.3	30 Caliber (Blank and Live)	30 Caliber	None Known	Sold to private developers for residential development	Combination of transects and grids will be surveyed to determine the OE density
8. Western Pierce Creek	711	7.7	0.3	37mm-105mm	105mm	None Known	Sold to private developers for residential development	Combination of transects and grids will be surveyed to determine the OE density

**Table 6.1 (continued)  
Preliminary Sector Details**

Sector	Total Acreage	Acreage to be Investigated	Chosen UXO Density	Documented OE Use	MPM	OE Related Items Found Since Closure	Post-DoD Land Use and Current Land Use	Recommended Geophysical Investigations
9. Lincoln Ridge	1212	7.7	0.3	105mm-155mm	155mm	None Known	Sold to private developers for residential development	Combination of transects and grids will be surveyed to determine the OE density
10. Heavily Contaminated	414	7.7	0.3	105mm-155mm, 30 Caliber	155mm	155 mm Round	Sold to private developers for residential development	Combination of transects and grids will be surveyed to determine the OE density
11. Southern Artillery Ranges	1653	7.7	0.3	30 Caliber (Blank and Live)	30 Caliber	None Known	Sold to private developers for residential development	Combination of transects and grids will be surveyed to determine the OE density
12. 37 mm Range	187	7.6	0.3	37mm, 30 Caliber (Blank and Live)	37mm	None Known	Sold to private developers for residential development	Combination of transects and grids will be surveyed to determine the OE density
13. Gentry Corner	884	7.7	0.3	37mm, 57mm, 105mm	105mm	105 mm Round, Brush Hog set off unknown round	Sold to private developers for residential development	Combination of transects and grids will be surveyed to determine the OE density
14. Northern Pierce Hill	232	7.6	0.3	75mm, 105mm, 155mm	155mm	None Known	Sold to private developers for residential development	Combination of transects and grids will be surveyed to determine the OE density
15. Airport	570	7.7	0.3	Hand Grenade	MKII Hand Grenade	None Known	Sold to the city of North Little Rock, Used as the North Little Rock commercial airport	Combination of transects and grids will be surveyed to determine the OE density
16. Grenade Course	1	1	0.3	Hand Grenade	MKII Hand Grenade	None Known	Sold to the city of North Little Rock, Used as the North Little Rock commercial airport	Grid surveys will be used to determine the OE density
