Provide vital public engineering services in peace and war to strengthen our Nation’s security, energize the economy, and reduce risks from disasters.

Business Lines

**Flood Risk Management**
- Managing water for flood risk, hydropower, recreation, and wildlife and recreation. Levee technical assistance and flood fighting operations provided.
- 12
- $347M
- $7.5B cumulative damages prevented through FY23

**Naval Operations**
- Improving and maintaining navigation for economic development and safety by insuring a 9-foot channel depth.
- 11.58 tons per year
- 10-year average
- 9 feet
- 3
- $4.3B annual
- 308 miles of navigation
- 2
- 4 floating plants
- $7.5B cumulative damages prevented through FY23

**Hydropower**
- Providing clean, renewable energy.
- 1072MW
- annual benefits to the Nation
- 2019
- 344K
- $2.66M annual
- $34.7M projects on the Arkansas river

**Water Supply**
- Supplying local and state institutions with high-quality drinking water for homes and businesses.
- 30
- water supply agreements
- 479,000 acre-feet of water supply storage
- (FY23)
- $2.7M in revenue returned to the U.S. Treasury

**Environmental Stewardship**
- Managing public resources in a responsible and sustainable manner.
- 29
- lakes with shoreline
- known threatened
- managed
- 313 restoration areas

**Regulatory**
- Committed to protecting the Nation’s aquatic resources and navigation capacity, while allowing responsible development through fair and balanced decisions. SWR serves as the lead regulatory district in Arkansas.
- 27
- approved mitigation banks and 1 in lieu fee
- 2023
- $2.6M finalized
- Pre-2015 WOTUS regime plus Sackett

**Real Estate**
- Supporting USACE and external stakeholders by acquiring and maintaining needed land interests.
- 26
- land tracts
- (890,213 acres)
- 5,365
- active outpatients
- 18.1M
- government housing leases for recruiters

**Recreation**
- Major activities include sightseeing, camping, boating, swimming, skiing, hiking, fishing, hunting, picnicking, and more. (FY23)
- 479,000 acre-feet
- $2.7M
- (FY23)

**Emergency Management**
- Dedicated support to military operations and disaster response.
- 26
- deployments since 2001
- 13 district exercises & partnering meetings per year involving 40 counties, 2 states and 6 federal agencies
- 5 nationally visited USACE visitor centers

**ISS**
- International & Interagency Support - Technical assistance for federal agencies, state and local governments, tribal nations, and private U.S. firms.
- 7
- 29
- 26
- 22

**Military Program Support**
- Ebbing Air National Guard Base
- Pine Bluff Arsenal
- Completed projects:
  - Pine Bluff Arsenal
  - $2.05M
  - $216M
  - $2M
  - $2.5M
  - $6.4M
  - $2.5M

**Military Medical Facilities**
- Little Rock district has executed over $2.7B in MSMR projects since 2009.
- $2.7B

**Budget / Projects**

- $124.5M in President’s FY25 Budget
- $67.4M for O&M at 12 reservoirs across Arkansas and southern Missouri
- $57.4M in O&M funds to provide reliable navigation on the MKARNS
- $2.5M to procure and replace hydraulic miter gate systems at Montgomery Point Lock & Dam
- $2.5M to replace service gate #3 host assembly at Clearwater
- $1.0M to install new motors for the Beaver building bulkhead
- $150K to update the Blue Mountain Lake Water Control Manual
- $150K to update the Nimrod Lake Water Control Manual
- $263K to start the White River Basin Project Section 729 Watershed Study
- $103.17M to complete the Three Rivers Project on the lower MKARNS, received in a separate FY 2024 appropriations bill
- $106.4M in FY24 Infrastructure Investment and Jobs Act funding
- $91.5M in O&M funds to provide reliable navigation on the MKARNS
- $17.5M in O&M funds at Bull Shoals and Norfork lakes
- $2M for emergency repairs to the Okay Levee at Millwood Lake
- $67.9M in FY23 Infrastructure Investment and Jobs Act Funding
- $62.7M for projects to provide renewable navigation on the MKARNS
- $4.2M for emergency repairs to the Okay Levee at Millwood Lake
- $2M for crane rehab design & repair at Nimrod Lake
- $850K to complete crane repairs at Clearwater Lake

**Major Projects**

**Three Rivers**
- To preserve navigation on the McClellan-Kerr Arkansas River Navigation System and manage and enhance project works in the project area.
- The project area is at the confluence of the Mississippi, White, and Arkansas rivers.
- $236M
- in O&M funds to provide reliable navigation on the MKARNS
- $106.4M in FY24 Infrastructure Investment and Jobs Act funding
- $67.9M in FY23 Infrastructure Investment and Jobs Act Funding
- $62.7M for projects to provide renewable navigation on the MKARNS
- $4.2M for emergency repairs to the Okay Levee at Millwood Lake
- $850K to complete crane repairs at Clearwater Lake

**Ebbing Field**
- The U.S. Air Force selected Ebbing Air National Guard Base in Fort Smith, Arkansas as a permanent Foreign Military Sales Pilot Training Center for F-35 and F-16 fighter aircraft.
- $63M
- 63rd Readiness Division
- $2.5M
- Reserve center restoration

**White River Basin Study**
- A Section 729 Watershed Study in cooperation with the Arkansas State University is underway to comprehensively examine the availability and usage of the water resources in the White River Basin.
- The study is estimated to cost $5M and take 5 years to complete.
- The overall study involves modeling water management scenarios across the basin to examine potential impacts to stakeholders.
- $850K to complete crane repairs at Clearwater Lake
