HUNTING REGULATIONS GUIDE 2021-2022

U.S. Army Corps of Engineers,
Mountain Home Project Office

This hunting regulations guide only covers the basic regulations. For detailed regulations please refer to the Arkansas Hunting Guidebook 2021-22 or the official Arkansas Game and Fish Commission Code of Regulations available at <https://apps.agfc.com/regulations/>.

All persons are required to hunt in accordance with all applicable State and Federal regulations.

Revised 07/2021

Bull Shoals Lake, located in Baxter, Boone, and Marion counties in Arkansas and Ozark and Taney counties in Missouri, was constructed in 1951 for flood control and power generation. The public land around the lake includes approximately 60,000 acres of rugged forest and upland areas that provide a buffer that ensures high water quality as well as habitat for wildlife. Most of the area is open to hunting, fishing, wildlife viewing, and nature photography; however, hunting is not allowed within recreational park boundaries and service areas.

Hunting Regulations

Important: For your safety and of others, No hunting is allowed within 100 feet from the center of any city, county, state, or federally maintained road and you may not shoot across such roads. **Hunting is not allowed within 150 yards of a residence without written permission (50 yards for archery.)**

The regulations below supplement those of the State of Arkansas and hunting will be in accordance with State seasons and regulations except in those areas listed in Special Area Regulations. (see next section)

Motorized Vehicles: All motorized vehicles must remain on maintained roads and parking areas. The use of off-road vehicles is not permitted.

Waterfowl Blinds: Portable blinds may be used, but must be removed at the end of each days hunt. A permit for a semi-permanent blind can be obtained from the U.S. Army Corps of Engineers Office in Mtn. Home, AR to construct a blind from natural materials and/or construction materials, which must be removed at the end of waterfowl season.

Deer/Turkey Stands: Permanent blinds may not be constructed on the area. Portable blinds may be left standing from one week prior to the first day of archery season to one week after the last day of archery season, but must be labeled with the hunter's name, address and phone number. Commercially made "screw-in" type climbing steps may be used, otherwise, no nails, spikes, screws, or other objects may be driven into trees. A safety belt or harness is required.

NOTE: The use of bait is unlawful on all Arkansas public lands.

NOTE: All USACE Land is closed to the Private Lands Antlerless only Modern Gun Hunt

NOTE: CWD regulations do apply in all counties.
