Col. Kenneth N. Reed
Commander, Southwestern Division

Colonel Kenneth N. Reed is the Commander and Division Engineer of the Southwestern Division, U.S. Army Corps of Engineers. The Division, which is headquartered in Dallas, is one of nine Corps of Engineers regional commands. With four District Offices in Little Rock, Arkansas; Tulsa, Oklahoma; and Galveston and Fort Worth, Texas, it encompasses all or part of six states, and covers some 2.3 million acres of public land and water. As the SWD Commander and Division Engineer, Reed oversees hundreds of water resources development and military design and construction projects that bring value to our communities, our Nation, and our warfighters. Prior to coming to SWD, Reed served as the Commander for the U.S. Army Corps of Engineers Fort Worth District in Texas and Transatlantic Expeditionary District in Kuwait.

Reed held a variety of leadership and staff positions throughout his career at the tactical, operational, and strategic levels. His early leadership assignments began with the 23rd and 16th Engineer Battalions in Germany, serving as a Sapper and Support Platoon Leader, Company Executive Officer, and Battalion Maintenance Officer during Operation Joint Endeavor and Operation Joint Guard, Bosnia. He joined the 4th Infantry Division at Fort Hood, Texas, serving in multiple staff and command positions culminating as Company Commander during Operation Iraqi Freedom. Reed served as the Battalion Executive Officer Observer, Controller, and Trainer for the 1st Battalion, 395th Regiment (EN). His field-grade leadership assignments began as a Military Transition Team Chief for the 9th Brigade, 3rd Iraqi Army Division in Al Kisik, Iraq, followed by key developmental assignments in the 36th Engineer Brigade at Fort Hood, Texas, and Afghanistan. He served as the Aide-de-Camp for the USACE Commanding General in Washington, DC, until being selected to command the 20th Engineer Battalion, Fort Hood, Texas. Reed attended Senior Service College at the National Defense University's Joint Advance Warfighting School in Norfolk, Virginia, with a follow-on utilization tour at U.S. European Command in Germany, serving as the Future Operations Branch Chief.

Reed is a native of Louisville, Alabama. He received a commission in the U.S. Army Corps of Engineers after graduating as a Distinguished Military Graduate from the University of Alabama in December 1995. He holds a bachelor's degree in Civil Engineering from the University of Alabama and master's degrees from the University of Missouri at Rolla in Engineering Management, from the National Defense University in Joint Campaign Planning and Strategy. He also holds the Project Management Professional certification. Reed's awards and decorations include the Legion of Merit, Bronze Star, Defense Meritorious Service Medal, Meritorious Service Medal, Navy/Marine Corps Commendation Medal, Army Commendation Medal, Humanitarian Service Medal, Army Achievement Medal, Combat Action Badge, Parachutist Badge, and Army Engineer Association's Bronze and Silver Orders of the de Fleury Medal. His operational deployments include Operation Joint Endeavor and Operation Joint Guard in Bosnia, Operation Iraqi Freedom, and Operation Enduring Freedom.

Colonel Damon Knarr
Little Rock District U.A. Army Corps of Engineers

Colonel Damon M. Knarr assumed duties as District Engineer and Commander of the U.S. Army Corps of Engineers Little Rock District on July 12, 2022. He came to Little Rock from U.S. Army Central Command, where he served as the 3rd Army Engineer Director.

Colonel Knarr graduated in 1998 with a bachelor's degree in Criminal Law from Florida State University in Tallahassee, Florida where he also earned his commission through the university's Department of Military Science Reserve Officer's Training Corps. After earning his Master of Business Administration Degree from Webster University he taught Operational Design at the Joint and Combined Warfighting School and is an alumnus of the International Strategic Studies Fellowship at Tufts University's Fletcher School of Law and Diplomacy.

Knarr has served in a variety of operational, command and staff assignments in the United States and overseas. His previous assignments include Brigade Personnel officer, Brigade Construction Officer, and Battalion Logistics Officer during Operation Iraqi Freedom from 2003-2004 and as the Assistant Brigade Engineer for 1st Brigade Combat Team, 1st Armored Division and Company Commander of B Company 16th Engineer Battalion during Operation Iraqi Freedom from 2006-2007. Other operational assignments include Battalion Operation and Executive Officer for the 5th Engineer Battalion, 1st Maneuver Enhancement Brigade from 2010-2012, working in NATO as the Engineer Intelligence Officer in the Rapid Reaction Corps in France from 2012-2015. From there he went on to command the 299th Brigade Engineer Battalion, 1st Stryker Brigade Combat Team, 4th Infantry Division from 2015-2017. Following his battalion command, he joined the military faculty at the Joint and Combined Warfighting School from 2018 to 2020.

He is a graduate of the Engineer Officer Basic and Advanced courses, Combined Arms Services Staff School, Army Command and General Staff College, the NATO Intel Planner's Course, Forced Entry Tactical Training Course, and is a Joint Services Qualified Planner.

His military awards include a Legion of Merit, Bronze star Medal with one oak leaf cluster, Defense Meritorious Service Medal with one oak leaf cluster, Meritorious Service Medal with three oak leaf clusters, Army Commendation Medal with one oak leaf cluster, Army Achievement medal with two oak leaf clusters, Army Presidential Unit Citation, Joint Meritorious Unit Award, National Defense Service Medal, Iraq Campaign Medal, Global War on Terrorism Expeditionary Medal, Global War on Terrorism Service Medal, Korea Defense Service Medal, Overseas service Ribbon with three oak leaf clusters and the Kuwait Liberation Medal. He has also been awarded the Combat Action Badge, Parachutist Badge, and the Army Joint Chiefs of Staff Identification Badge.

Jonathan J. Sawrie
Little Rock District Contracting Chief

Mr. Jonathan J. Sawrie assumed his role as District Contracting Chief for the Little Rock District in March 2021. Mr. Sawrie began his career with the Little Rock District in 1984 as a part-time student aid at the Toad Suck Ferry Project Office. In 1992 he accepted a permanent appointment as a Purchasing Agent supporting the MKARNS navigation, hydropower, recreation, and environmental stewardship missions. In 2009 Mr. Sawrie entered the Department of the Army Intern Program as a Contract Specialist in the District's Medical Support Branch. Here he was responsible for the suite of nationwide Design-Build MATOC construction contracts in support of the Air Force Medical Service Hospital Modernization Program. Mr. Sawrie was named Chief of the Operations and Civil Works Branch in 2013 managing the contracting program for the district's annual \$50 Million Civil Works budget. Mr. Sawrie holds a bachelor's degree in Accounting from the University of Central Arkansas, is Level III certified in contracting under the Defense Acquisition Workforce Improvement Act (DAWIA), is a member of the Army Acquisition Corps, and holds an Unlimited Contracting Officer Warrant. He is married with two sons. He and his wife Danna reside on their small farm in Greenbrier, Arkansas. They enjoy camping and hiking in the Ozark Mountains.

Lakisha Vance
Little Rock District Small Business Deputy

Mrs. Lakisha Vance is a native of Little Rock. In 2019, Vance received a promotion as the Small Business Deputy for the Little Rock District. Mrs. Vance has worked in various positions with areas of responsibilities progressively advancing in her career at USACE since 2008. She worked 4 years as a Contract Specialist and served 7 years as a Contracting Officer for the Civil Works, Military and Medical Support Branch, responsible for the district most significant procurements. Vance works with District leadership, Project Delivery Teams, and the business community to maximize small business contributions.

Mrs. Vance holds a bachelor's degree in Business Administration from Philander Smith College and a Master of Business Administration degree from Webster University. She and her husband have three sons: Jay, Samuel, and Samson.

Jerry Talbert

Deputy District Director Small Business Administration in Arkansas

Mr. Jerry is the Deputy Director of the Small Business Administration in Arkansas. He holds an MBA from Ashford University and is an award-winning Business Management Executive with extensive experience in strategic marketing, government and commercial sales, organizational development and team building within diverse industries. Talbert's background includes 25 years of service in the U.S. Army in Combat Arms and Operations Planning, 10 years of experience in defense contracting with small businesses and the federal government, and previously served as the Association of Procurement Technical Assistance Centers (PTAC) Director for Western Illinois University and Bradley University College of Business in Illinois. In these roles, Talbert leveraged his experience in the Defense and Commercial

Marketplace to mentor small and medium sized business owners and other organizations on the process of defense contracting.

Jan Bartlett- Hicks

President/Founder of HDMS & Standard GIS

Ms. Jan Bartlett- Hicks is president and founder of HDMS & Standard GIS. The company delivers in-house architecture, topographic data collection through drone LiDAR. She is an FAA Certified Part 107 sUAV Pilot, an Arkansas real estate broker, and state licensed Interior designer. She is the principal broker for HDMS' sister company Bartlett Hicks Realty. Her newest venture is Navona Construction, a demolition and excavation company. She is the past president of the Arkansas Post of the Society of Military Engineers. She served 2 terms on The Little Rock City Beautiful Commission. She is a member of the Sunset Rotary in Altus Arkansas. She is the event chairman for the SAME sponsored icebreaker being held in conjunction with this year's Little Rock Army Corps of Engineers Industry Days.

Melanie Berman
Program Director Procurement Technical Assistance Center (PTAC)

Ms. Melanie Berman lives in Little Rock, Arkansas. She joined the University of Arkansas Cooperative Extension Service Procurement Technical Assistance Center (PTAC) staff as Program Director in January 2017. She holds a Bachelor of Art degree in Communications and a Master of Public Administration degree from the University of Arkansas at Little Rock. Melanie served as both an AmeriCorps volunteer and a Peace Corps volunteer. She also managed multiple federally funded grants and served as an Awards Officer for an international non-profit before coming to the Arkansas Procurement Technical Assistance Center. Melanie served as Regional Director for the Association of Procurement Technical Assistance Center (APTAC). She also served in a volunteer role as Vice Chairperson for the Little Rock Sister Cities

Commission, promoting cultural and economic development opportunities within the state of Arkansas.

Kristina Mullins
Mobile District Chief of Staff

Ms. Kristina Mullins joined the U.S. Army Corps of Engineers Mobile District as the Chief of Staff in August 2013. She also serves as the Program Manager for the Alabama-Coosa-Tallapoosa Rivers basin and the Apalachicola-Chattahoochee-Flint Rivers basin. Ms. Mullins began her career in 1993 working with Naval Facilities Engineering Command, Southwest Division in San Diego as an environmental engineer. In 1996, she relocated to Germany with the U.S. Army Corps of Engineers Europe District and managed large military construction projects. Ms. Mullins served as the Barracks Restoration Program Manager. This comprehensive rehabilitation program included over 300 project sites with a programmed amount exceeding \$900 million. Ms. Mullins served at the Southwestern Division Office before being promoted to the U.S. Central Command's Liaison Officer providing USACE expertise and resources as part of the theater

engineer planning for Operation Iraqi Freedom. Ms. Mullins served as the District Support Team Leader and the Assistant Chief of Programs and Projects Management Division for Little Rock District in 2005. Mullins served as the Deputy District Engineer for Project Management for the Afghanistan Engineer District in 2008 growing the program by 300 percent, requiring the stand-up of a second district in Afghanistan, and doubling the staff in country. In July 2009, as the Deputy District Engineer for Program Management, Sacramento District she oversaw the construction of two USACE designated MEGA-projects with a construction value over \$2B. Ms. Mullins holds a Bachelor of Science degree in chemical engineering from Oklahoma State University and is a graduate of the Army Management Staff College. She is also a licensed Project Management Professional.

Shamekia M. Chapman
District Chief Galveston District

Mrs. Shamekia M. Chapman serves as the District Chief of of Contracting U.S. Army Corps of Engineers Galveston District, a position she assumed in July 2021. A 16-year USACE veteran, Ms. Chapman currently oversees the acquisition planning, execution, and oversight of all contracts awarded in the Galveston District. Contracts range from horizontal construction of civil works projects such as maintenance dredging, channel deepening, levee repair/replacements, pump stations, and eco restoration to hydro/topographic surveys, design support, grounds maintenance and janitorial services and more at about \$400M per year. She also leads a team that is tasked with executing a \$7B Horizontal Construction MATOC and \$775M Architect-Engineer Services MATOC, two of the largest acquisition tools in USACE. Prior to accepting her current position, Ms. Chapman served as the Chief of Business Oversight Branch (BOB) in the Galveston District since September of 2018. During her time in the BOB, she was responsible for policy development and implementation, compliance reviews, developing and managing the divisions budget, training and career field certification, the GPC program, and document reviews. In addition, Ms. Chapman was integral in the district gaining back its contracting authority separate from the Ft. Worth District and standing up the Galveston Contracting Division after an 8-year hiatus. With her assistance the Division grew from a Branch of 5 to a division of 18.

She has been a USACE employee since 2006. Her background consists of extensive experience within the Corps of Engineers, ranging from Deputy for Small Business Programs at SWG; a SCO-DAL Procurement Analyst; Supplies and Services Section Chief, MEDCOM Support Team Contracting Officer, and Contract Specialist at the Mobile District; Cost/Price Analyst at Ft. Hood Army Contracting Command; and a Contract Specialist for the UPH furniture Program, MRR/FRR, and OMEE programs at Huntsville Engineering and Support Center.

She earned a Bachelor of Science in Finance from Alabama Agricultural and Mechanical University in 2007 and has begun working on an Executive MBA at Prairie View A&M University. She is a Level 3 Certified in the Contracting Career Field. In her “spare time” Shamekia also serves as a mom of two handsome boys, the Director of Finance at her church, and “band wife” of a collegiate band director.

Michael Norton
Chief, Energy Execution Branch

Mr. Michael Norton joined the U.S. Army Engineering and Support Center headquartered in Huntsville, Alabama in November 2004. He is currently serving as Chief, Energy Execution Branch, providing strategic leadership and management for the execution of three energy programs that enhance the readiness of the warfighter, provide energy security and resilience as well as reduce energy and water demand. The Energy Savings Performance Contracts (ESPC), Utility Energy Services Contracting (UESC), and Power Purchase Agreements (PPA) utilize performance third party financed acquisitions. He leads the development and implementation of energy, water and waste reduction and renewable energy efforts that modernize installation infrastructure. These efforts directly enable the warfighter to train, maintain their equipment, and deploy for combat. Prior to this

position he served as the Chief, Energy Planning Branch providing strategic leadership and management oversight for the Commercial Utility Program (CUP), Resource Efficiency Manager Program (REM) and Energy Resilience Conservation Improvement Program (ERCIP). Success in these assignments was through strong leadership of project delivery teams, development of strategic business plans and budgets, strong relationships with customers, and stakeholders in partnership with Energy Service Companies and utility companies. Prior, he served as Program Manager for the ESPC, Access Control Point and Facilities Reduction Programs.

Mr. Norton received the 2022 Secretary of the Army Individual Exceptional Performance Award, the 2014 Secretary of the Army Small Group Energy and Water Management Award for the ESPC Project Delivery Team received, the 2015 Department of Energy Federal Energy Management Program Small Group Energy and Water Management Award and the 2016 Federal Energy and Water Management Director's Award. Mr. Norton is a retired US Army Lieutenant Colonel with over 25 years in the Corps of Engineers. While on active duty he served in a variety of assignments of increasing responsibilities leading people and organizations in the United States, Europe and combat operations during Desert Shield and Storm in Saudi Arabia and Iraq. His last assignments were as the Director of Public Works for all Army garrisons in Italy and as the Deputy Commander of Tulsa District, US Corps of Engineers. Mr. Norton's military awards and decorations include the Legion of Merit, Meritorious Service Medal (4 awards), Commendation Medal (4 awards), National Defense Service Medal, Kuwait Liberation Medal (Kuwait), Kuwait Liberation Medal (Saudi Arabia), Southwest Asia Service Medal, Armed Forces Reserve Medal, Army Service Ribbon, Overseas Service Ribbon (2 awards) and Parachutist Badge.

Mr. Norton holds a Bachelor of Science degree in Civil Engineering from the University of Alabama and a Master's in Business Administration from the University of Phoenix.

Ashanti Griffin
St. Louis District Deputy of Small Business Programs

Ms. Ashanti Griffin started as the Deputy of Small Business Programs at the St. Louis District in August 2020. Prior to assuming this role, she was a Contract Specialist for the Little Rock District for 2 years. With over 12 years of Government service, 10 in Contracting, she brings knowledge of the acquisition process while continuously advocating for small businesses.

She is a graduate of the University of Arkansas-Pine Bluff. She is married with two children, 1 son and 1 daughter. Lastly, is an avid baker.

Gwendolyn Miller

District Chief of

Contracting Kansas City District Mrs. Gwendolyn Miller serves the Kansas City District Army Corps of Engineers as the District Chief of Contracting. She is responsible for delivering acquisition solutions to support world class programs and projects to the Heartland region and the nation to support national security, strengthen our economy, and reduce environmental and disaster risk. She serves as the district's primary business advisor ensuring quality execution of the District's Military, Civil Works, and Environmental programs as well as special programs such as Mega projects and reach back support to other districts. Ms. Miller leads a diverse military and civilian workforce of over 80 professionals to deliver on the district's commitments to solve the nation's toughest challenges for our customers through a variety of procurement actions, partnering with industry to ensure adequate capabilities to meet current and future needs, exacting business deals that are in the best interest of the government and training the next generation of acquisition

professionals. Gwendi began her career working for the U.S. Air Force as a COPPER CAP intern at Schriever AFB, CO where she developed a passion for acquisition and contracting. In 2006, she worked as a Contracting Officer for the U.S. Army Corps of Engineers Savannah District and in 2009 for the Fort Worth District. In 2010 she joined the Little Rock District where she served six years as the Military Execution Branch Chief prior to arriving in Kansas City. Gwendi holds an Unlimited Procuring Contracting Officer Warrant and an Unlimited Grants Officer Warrant. She is a member of the National Contract Management Association and is DAWIA Level III certified in Contracting. Gwendi is a native of Arkansas and a graduate from the University of Central with a B.A. in Political Science. She is pursuing a M.S. in Operations Management as well as a Graduate Certificate in Project Management and a Micro Graduate Certificate in Leading Organizational Change. She lives in Kansas City, MO with her three children Evie (17), Gavin (13), Grady (10) and is an active volunteer in her community serving, a Girl Scout Leader, and serve other community organizations.

Little Rock District, Operations & Maintenance FY 2023 Opportunities

Project	Location	Solicitation Type	Solicitation Release Date	NAICS	\$ Range	Small Business Set-Aside?
