## MILLWOOD LAKE MASTER PLAN AND SHORELINE MANAGEMENT PLAN REVISIONS

The Army Corps of Engineers, Little Rock District, is reopening the comment period on the draft revised Millwood Lake Master Plan, draft Millwood Lake Shoreline Management Plan, and the associated draft Environmental Assessments, which describes alternative plans and potential impacts.

***For current information and to submit comments, please visit:***

**<http://go.usa.gov/x7WnS>**

During the MP, SMP and EA planning process an incorrect email address was included on the notification materials. To give everyone that visits and lives around Millwood Lake an opportunity to comment on the draft documents USACE is reopening the comment period between April 12, 2022, and May 11, 2022.

If you have a comment on these draft documents or if you provided comments during the previous comment period, please resubmit your comment to be considered.

Your input will help define the final Millwood Lake Master Plan, Shoreline Management Plan, and Environmental Assessments.

**Comments must be submitted by May 11, 2022, to:**  
**Millwood Lake MP & SMP Planner, Natural Resources Management Section**  
**USACE, Little Rock District**  
**P.O. Box 867, Little Rock, AR 72203**
