CHAPTER 10: DISTRIBUTION LIST

10.1 Introduction

This Final Environmental Impact Statement (FEIS) will be filed with the U.S. Environmental Protection Agency (EPA) and circulated for public review and comment. A Notice of Availability (NOA) will be printed in the *Federal Register*, initiating a 45-day comment period. This Chapter identifies Federal, State and local agencies; elected officials, organizations, and individuals that will receive notification that the FEIS has been published and is available for review and comment.

All persons on the Environmental Impact Statement (EIS) mailing list will be informed of the availability of the EIS; and the location of public repositories where the document is available for review on the EIS by receipt of a mailed informational flyer. The informational flyer will also provide a point of contact where individuals may receive additional information.

For information on obtaining a copy of the EIS, please contact the following via mail or e-mail. All requests for the document should include your name, address, and telephone number.

Mr. Johnny McLean (CESWL-PR-P)
Little Rock District Corps of Engineers,
P.O. Box 867,
Little Rock, Arkansas 72203-0867
e-mail: Johnny.L.McLean@usace.army.mil

The entire document is also available for review at the U.S. Army Corps of Engineers (USACE) Little Rock District, Arkansas River Navigation Study website:
