MEMORANDUM FOR Commander, U.S. Army Corps of Engineers, Little Rock District (CESWL-ZA), 700 W Capitol Ave, Little Rock, AR 72201

SUBJECT: Stump Creek, Little Rock, AR Section 208 Project – Feasibility Phase Review Plan Approval

1. References:

a. EC 1165-2-217, Review Policy for Civil Works, 20 February 2018.

b. Email, CESWL-PPMD, 13 March 2021, subject: Review Plan Submittal for Stump Creek, Little Rock, AR -Section 208.

2. In accordance with reference 1.a., I hereby approve the submitted Feasibility Phase Review Plan (RP) for the subject project study. As the subject feasibility study progresses and changes are made to the final reviewers for each type of review, please provide an updated Level of Review form as part of the Tentatively Selected Plan Milestone Read Ahead materials. The RP does not include independent external peer review.

3. The Feasibility RP has been submitted as part of the Approved Southwestern Division (SWD) Continuing Authority Program (CAP) Programmatic RP signed on 12 November 2020, which was prepared in accordance with the referenced guidance and has been reviewed and cleared for approval by my staff. Please post the final approved Feasibility RP with a copy of this memorandum to the District's public internet website and provide the internet address to the SWD CAP Program Manager. Before posting to the District website, the names of U.S. Army Corps of Engineers employees should be removed.

4. The SWD point of contact for this action is Ms. Adrienne Carter, Action Officer, CESWD-PDP, at 469-487-7057.

PETE G. PEREZ, P.E.
Director, Programs Directorate
